Mae'r Pwyllgorau canlynol wedi ail-ddechrau cyfarfod yn rhithiol wedi tymor yr haf:

- Pwyllgorau Craffu.
- Grwpiau Herio Gwasanaethau.
- Grŵp Cynllunio Strategol.
- Cabinet.
- Pwyllgor Cynllunio

Fel aelodau'r Cabinet, bydd Bobby a Huw wedi mynychu cyfarfodydd ychwanegol yn ymwneud â'u portffolios.

Bu i'r tri ohonom barhau i ymateb i faterion a gafodd eu cyfeirio atom gan drigolion y dref o ddydd i ddydd ac o wythnos i wythnos. Yn ychwanegol i faterion rheolaidd megis cyflwr troedffyrdd, taflu sbwriel, cŵn yn baeddu a thyllau yn y ffordd, mae pedwar mater yn peri cryn bryder i nifer o drigolion:

- Lefel y dwr yn y llyn yng Nghae Ddol yn isel.
- Llif cerbydau mawrion ar ran uchaf Stryd Mwrog, Llanfwrog a diogelwch cerddwyr, yn arbennig defnyddwyr coetsys babanod.
- Gyrru gwyllt o amgylch y dref.
- Mwg yn codi o un o'r safleoedd ar Lon Gwernydd.

Mae galw parhaol am lwybrau beicio diogel a fyddai'n cysylltu Rhuthun a chymunedau lleol ac mae sgysiau gyda swyddogion CSDd a Llywodraeth Cymru yn parhau. Mae ail-ran yr ymgynghoriad Cyngor Sir Ddinbych ar Deithio Llesol yn digwydd ar hyn o bryd ac anogir Cynghorwyr Tref Rhuthun i ymateb i'r ymgynghoriad.

Bobby, Emrys a Huw.

- Scrutiny Committees.

- Cabinet.
- Planning Committee

As Cabinet members, Bobby and Huw whave attended additional meetings related to their portfolios.

The three of us continued to respond to issues that were referred to us by the residents of the town on a daily basis and week by week. In addition to regular issues such as the condition of footways, littering, dog fouling and potholes, four issues are of considerable concern to many residents:

- Low water levels in the lake at Cae Ddol.
- Large vehicular flow on the upper part of Mwrog Street, Llanfwrog and pedestrian safety, Particularly pushchair users.
- Speedsters driving around town.
- Smoke being emitted from one of the sites on Brickfield Lane.

There is a continuing demand for safe cycle routes that would connect Ruthin and local communities and talks with DCC and Welsh Government officials are ongoing. The second part of the Denbighshire County Council Active Travel consultation is currently underway and Ruthin Town Councilors are encouraged to respond to the consultation.

Bobby, Emrys and Huw.
