We have addressed local concerns in relation to:-

- grass cutting
- vehicles parking on pavements
- matters of personal nature raised by members of the public.

The very successful Urdd National Eisteddfod was held in Denbigh and it was wonderful to see so many children and young people from Ruthin taking part and succeeding in various performances and competitions on the Eisteddfod field. Congratulations to everyone. Ruthin Town Council's support of major aspects of the Eisteddfod was truly appreciated.
